Record (in proper category) what “writer” does/says to be in charge of her/his own reading/writing.

### **Self-talk (encouragement)**

### **Tools**

### **Focus Strategy (Eyes on paper, Keep going, Icandoit3x, Movement)**

### **Writing Goal (See last Goal Setting Menu)**

\*Also note how “writer” uses/revises SRP (maybe checking off parts/goals as they are done), and then checks it over when done. Good writers self-regulate before, while and after reading/writing.
