

## **Pre-Assessment of Genre Knowledge: Grade 9-10**

What should be addressed in a topic introduction?

What makes a thesis strong?

What does it mean to examine and convey a complex idea?

What makes evidence well-chosen, relevant and sufficient?

What should go into a strong conclusion?

What does it mean to use precise language?

What is a stylistic sentence?

What makes a transition appropriate, varied and able to link major sections of text to create cohesion and clarify relationships? Give examples.
